Date: May 13th, 2015
From: Tim Mendel, Superintendent/CEO

1. The Board discussed the concerns expressed by the Koscielny delegation at the April 30th board meeting. The Board instructed the Board Chair and the CEO to draft a response.
2. The Principal of Inglis School, Darcy Kowalchuk, gave a presentation about Inglis School. Mr. Kowalchuk shared a list of all of the activities that students have an opportunity to participate in at the school. He also shared a brief history of the school and what students, staff, and parents love about their school. Great presentation!
3. The CEO reported the results of the band survey with the board. The CEO informed the Board that a meeting had occurred with the principals of schools with a band program to discuss the results. The Principals will discuss the results of the survey with their respective band teachers. Suggested changes from the survey included greater student choice in the music being selected and opportunities to select a different instrument. At this time no timetabling changes are anticipated.
4. The board was informed that Rossburn Elementary school was partnering with the division to enhance their playground. A number of new stations will be added. We hope to complete the upgrade by the end of June.
5. The board discussed their annual self-evaluation as well as the annual evaluation of the CEO.
