RE: **Birtle Collegiate Principal position**

We are pleased to announce that Dana Corr has been appointed to the position of Principal of Birtle Collegiate effective September 2013.

Dana has been a valued member of our division since 1996 when she started her career teaching at Birtle Elementary School. She has experience teaching at both the elementary and high school levels, and most recently has served as the Division Counselling Facilitator.

On behalf of the Board of Trustees and staff of Park West School Division, we would like to wish Dana success in her new role as the Principal of Birtle Collegiate.
