RE: **Birtle Elementary School Principal position**

We are pleased to announce that Tanis Cheasley has been appointed to the position of Principal of Birtle Elementary School effective September 2013.

Tanis has been a valued member of our division since 2010 when she started her career with Park West teaching at Rossburn Collegiate. She has been with Birtle Elementary for two years as a teacher and served as term principal for the 2012/2013 school year.

On behalf of the Board of Trustees and staff of Park West School Division, we would like to wish Tanis continued success in her role as the Principal of Birtle Elementary School.
