

Over \$19,000 Raised!

We had a very successful evening raising over \$19,000 for our local Russell Cancer Care Chemo Unit. All proceeds stay within Russell. We also had a contest at the school for the students. The student who raised the most money received a signed jersey from the high school team. The winner of this award goes to Colbey Reichmuth raising \$1290.00. A prize also went to the classroom raising the most classroom money. Miss Paradine's class raised \$1890.00 Way to go everyone!!!! We would like to thank everyone who donated money, prizes and came out to cheer on the team. It is so great for a small town to come together and raise this amount of money for our local unit.
