

## Provincial Soccer

2014-2015

Congratulations to the Shoal Lake/Rosburn girls soccer team and the Birtle Boys soccer team for participating in provincials in Winkler.

We had 15 young ladies perform very well on the soccer pitch in Winkler against very strong teams. We were proud to be the only team from single A schools at this competition.

Our first game saw us matched against Niverville. Both teams battled strong winds and cold morning air. With ten minutes left in the game Niverville scored to win the game 1-0

Opeing ceremonies and lunch buffet was enjoyed by all team members. Exciting to be in a gym with so many young athletes as both boys and girls teams were together for this!

Our second game was against Flin Flon and both teams were evenly matched with very good ball handling on both sides. Flin Flon scored with 5 minutes left to break the 0-0 tie. Flin Flon then added a final goal with 10 seconds left. Our ladies from Shoal Lake, Rosburn and Russell had a great showing and we are very proud of their excellent play and sportsmanship!

The boys team played their first game against Stonewall and lost 3-0. Their second game brought them against Flin Flon where they had a 3-1 loss. Congratulations teams!
