

The Major Pratt Trojan's Hockey team hosted a "Trojan's Help Fight Cancer Night"

On Wednesday, January 22, 2014 the Major Pratt Trojans hosted the Crocus Plains High School hockey team. The hockey game was an opportunity for the Trojans to do some fundraising.

With the help of many people and the support from Russell Minor Hockey, Art Farm and many sponsors, the team was able to raise over \$13,000.00 that will be donated to the Russell Health Centre Cancer Clinic to purchase 4 new treatment chairs totaling \$9,500.00. The remainder will be put towards their future expansion.

The fundraiser was a huge success and we couldn't have done it without fantastic community support!!
