

### **Flag Protocol**

Park West School Division will ensure that the national flag of Canada is flown at full-mast on each day that the school is open, weather conditions permitting. When weather conditions do not permit the flag to be flown outdoors, the flag may be displayed in the school building. The school custodian will be responsible for the raising, lowering, and storing of the flag.

The federal government and the provinces have established policies regarding half-masting. Schools in Park West School Division will fly flags at half-mast as directed by the Government of Canada, the Government of Manitoba, and the Manitoba Department of Education.

The flag may also be flown at half-mast when recognizing the passing of a student, Trustee or current or past Division personnel. Approval for this must be provided by the Superintendent.
