

**Attendance at an Out-of-Division School**

The Park West School Board of Trustees may approve a student's attendance at an out-of-division school when the desired program is not available in the Park West School Division.

Requests to attend an out-of-division school must be submitted in writing to the Park West School Board of Trustees for consideration. If the request is approved by the Board, financial support in the form of residual fees will be paid by the Park West School Division to the receiving out-of-division school division. A living allowance will be paid only if the student(s) qualify under Manitoba Education regulations.
