

Safety Program Survey

Park West School is in the process of reviewing our staff safety practices and protocols. For this reason we are asking that all staff provide feedback as to the direction and needs of the staff safety program.

Please answer the following questions and add any information that you feel we would need to further develop our safety program. Your responses will be kept strictly confidential.

We thank you in advance for your assistance in developing our safety program.

Where is your primary work location?

- Binscarth
- Birtle Collegiate

- Division or division office

YES NO Do you feel that staff safety is currently a priority for the division?

YES NO Do you feel there is a need to improve the current staff safety program?

YES NO Do you know who is on your school workplace safety and health committee?

YES NO Do you know where your school or workplace safety and health bulletin board is located?

YES NO Do you review the workplace safety and health committee minutes that are posted up on the workplace safety and health bulletin board?

YES NO Do you feel comfortable taking your safety concerns to your principal, your supervisor or your workplace safety and Health committee member?

YES NO Are you familiar with the new divisional policies on Harassment and Workplace Violence?

YES NO Do you feel you have sufficient safety program training?
Specifically do you feel knowledgeable regarding Personal Protective equipment use, Working Alone program, WHMIS, the requirements of your local WS&H committee, etc.?

Please feel free to elaborate in the space below.

Are there any safety issues or potential workplace hazards that you feel need to be priorities for our division?

What are some potential challenges or barriers for our division in developing and implementing a comprehensive staff safety program?

Do you have anything else you would like to comment on or suggest that might assist us with updating the staff safety program?
