

The Board will consider the following indicators when measuring the success of its Vision and Mission:

- Student performance on measures such as provincial examinations, divisional assessment results, and anecdotal evidence.
- High school completion rates.
- Tracking of student's career and educational pathways. Level of student, parent, and staff satisfaction, as measured by surveys, reports, and anecdotal evidence, etc. This will include student leaving surveys and follow-up surveys.
- High school credit acquisition rates.
- Student participation rates in extracurricular and student citizenship activities
- Board evaluations.
- CEO evaluations.
