Topic: COVID-19 Notification

Hamiota Collegiate:

Six individuals at Hamiota Collegiate have been identified as close contacts of a community member who has tested positive. In total, there are 12 people from the school isolating, including 4 students who have been identified as close contacts and 8 family members.

Strathclair School

Strathclair School has three confirmed student cases of COVID. The three individuals as well as their three siblings are all isolating. Given that the students have not been in attendance since the morning of Tuesday, April 20, Public Health has advised that there is no risk of school transmission. No contact tracing is required and there is no risk to students or staff.
