Topic: **Strategic Planning for 2022-2023**

Park West School Division is in the process of updating our strategic plan that outlines long-term priorities, goals, and strategies for our school system.

Stakeholder Survey:

- We would like feedback from our stakeholders as we review and update our strategic plan.
- Please take a few minutes to complete a survey so that we may incorporate your feedback in our planning. This survey will be used for all staff, parents/guardians, and students.
- All survey responses are anonymous and voluntary.
- Divisional results will be used to inform upcoming planning. Individual schools will have access to their specific feedback. Individual school results will not be made public.
- Please complete this survey by noon on Wednesday, June 1.
- The survey may be found at:

- We will be inviting representatives from various stakeholder groups to attend this in-person session.
