Topic: **Update to parents, guardians, and staff**

Update on COVID response and measures:

Individual school cases will continue to be reported to parents and guardians until the end of the school year. The Division will also continue tracking COVID cases on our website during this period.

The following changes will occur as of Tuesday, May 25:

- Spectator capacity for cocurricular or extracurricular activities will increase to 100%.
- Graduation ceremonies will no longer have spectator limits.
- Multigrade interaction may include multiple cohorts without limit.
- Schools may have larger gatherings such as assemblies.
- Community use of school will expand to allow access by all outside user groups.
- Non-essential visitors to schools are permitted.
