

### **Parking Lot Searches**

The privilege of bringing a student-operated motor vehicle on to school premises is conditioned on consent by the student driver to allow search of the vehicle when there is reasonable suspicion that the search will yield evidence of contraband. The division may from time to time use drug sniffer dogs to conduct searches.

Refusal by a student, parent/guardian, or owner of the vehicle to allow access to a motor vehicle on school premises at the time of a request to search the vehicle shall be cause for termination without further notice of the privilege of bringing a vehicle on to school premises.

Routine patrolling of student parking lots and inspection of the outside of student automobiles shall be permitted at all times by school administration.
