

Date: Monday, January 12, 2026

Topic: **Executive Summary of January 8, 2026, Regular Board Meeting**

1. Manitoba Education is hosting an AI in Education Summit on January 16. The session will focus on the responsive and effective integration of AI into the education system and our collective commitment to prepare students for a future where AI is ubiquitous. Park West School Division will be sending a team of four people to this event.
2. The Board is involved with ongoing planning related to the 2026-2027 budget.
3. The superintendent and assistant superintendent are meeting with individual principals and department heads to discuss staffing and budget needs for next year.
4. The assistant superintendent has been supporting schools in filling vacant positions.
5. The secretary treasurer has been working on preliminary budget planning for next year and providing support to the Park West Foundation.
6. Trustees will be attending the provincial school board conference on 19 & 20, 2026 in Winnipeg.
7. The next scheduled regularly Board meeting is February 12, 2026.
