DEFEATED

I move to allow schools to make the decision to resume sports during the COVID19 global pandemic on an individual school basis, if agreed to by the school's administration and staff, and while the school is in COVID19 response level yellow or green, provided that the return to play guidelines set by the governing sport bodies and MHSAA are followed, effective today, Oct 13, 2020.

It was decided by consensus that a draft framework be developed that would allow students back into our gyms for skill development and practice. The Superintendent will be working with stakeholders over the next week to develop this plan.

It was decided by consensus to adjourn the meeting at 9:45 pm. The next Regular Board Meeting will be on 6 Thursday November 12th, 2020.
