

Nov. 1, 2021

To Staff, Students, Parents, and Guardians of Strathclair,

We just received notification that a Grade 12 at Strathclair School has a confirmed case of COVID. Given that the student has not been in attendance since October 11, there is no risk of school transmission. No contact tracing is required and there is no risk to students or staff.

If your child develops symptoms, even if mild, they are to be isolated from others and you are advised to call Health Links at 1-888-315-9257.

Out of caution students from Keeseekoowenin are not returning to SCS until Thursday, Nov. 4th. As always, if you have any questions or concerns, please feel free to contact the school.

Sincerely

Derek Caldwell
Principal
Strathclair School
