

Locker Searches

The Park West School Division Board supports all staff in the maintenance of law, order, discipline and decorum in its schools and during authorized school functions. To this end the Board prohibits the possession, on school property or at authorized school functions, of substances or objects which may threaten good order, discipline, decorum and public safety. Such materials or objects may include, but are not restricted to, alcohol beverages; illicit drugs; stolen property; weapons, either restricted or prohibited by law; any object which may be used as a weapon or that may cause serious injury; hate literature, racist, pornographic or offensive material, or any material inappropriate for a school setting.

Student lockers are the property of the Park West School Division. School administrators have the authority to inspect student lockers wherever circumstances warrant such action. The primary purpose for locker inspection shall be the protection of health, safety, and the general welfare of students, staff, or school property. Searches may also be conducted when school authorities have reasonable suspicion that a student is concealing something, possession of which is in violation of the law or of school rules.

Terms and Conditions

In the following terms and conditions, “Locker” refers to the Locker and combination lock designated in the rental agreement and “Student” refers to the individual entering into the Locker Rental Agreement:

1. The Student agrees that materials or objects which may include, but are not restricted to, alcohol beverages; illicit drugs; stolen property; weapons, either restricted or prohibited by law; any object which may be used as a weapon or that may cause serious injury; hate literature, racist, pornographic or offensive material, or any material inappropriate for a school will not be stored in the Locker at any time. The Student agrees that any breach of this condition may result in any such items being seized by the Division or the Locker may be sealed pending the Division seeking legal advice. (“Illicit drugs” shall not include drugs prescribed or medically required for one’s own use.”)
2. The Student will return the Locker to its original condition at the end of the school year, or upon the withdrawal of the Student from school. This includes the removal of all materials from the Locker, as well as the removal of all posters, stickers, writing, graffiti or other items that were not present at the time of rental.
3. The Student will not damage the Locker or any other student’s Locker in the building in any way.
4. The Student agrees to use only the Locker specified on the Locker Rental Agreement and a lock provided by or approved by the school.

5. At the conclusion of the School Year, or on the date that the Student withdraws from school the Locker may be subject to inspection to determine compliance with these terms and conditions of use.
